A STATUS.

sol an English cost-of-arms and has set up a coachman in livery, and a maid whom it calls Briggs. The furore extends to the young people. The girls of the fonorable Mr. Shoddy go abroad and farry titles. The boys become English dudes; wear eye-glasses, suck their nes, and say, "Aw-aw, ye naw." by do the boys do this? Are they king out in original paths for the paths of the paths

pround that the English government is nothing of our an aristocratic, as we are disposed quarrel with this American and outing affers.

American government is nothing of of an aristocraty. Well, we have the constraint of the con

Lake Michigan, it will do him good.

The United States is a great country.
We were told that on the last Fourth of July, and we believe it. Inamuch, then, as the United States is great and almost a hundred and ten years old, its big enough and old enough to cet loose from Ma Brittania's apron string.
There is no earthly revolving about the "right little, tight little side," Our own provinces, commercially speaking, lie in Central and South America. While we take a temporary respite from Afghanistan and the Sondan, let us turn our attention to these provinces of our back door; let us interesting them, make friends with them, and take oars of our own. In this workigate them, make friends with their, staft about them, find our interests with them, and take oars of our own. In the state of the control of revolving about our own. In the state of the control of the provinces of our back door; let us fine them, and take oars of our own. In the state of the control of revolving about our own tight little side, and become a nation with a representable commerce upon the high seas. And it is just possible that with this ambution fulfillied, the United States may in turn become the pattern of civilization. The gilded youth of England may then take to learning and affecting Americanisms, while we furnish England the Hon's share of the news of the world, and send over American-eagle designs to supplant their lordships' coats—of-arms. Let us reform our ways and take has hope.

Say Brexanders, during the states may in turn become the pattern of civilization. The gilded youth of England may then take to learning and affecting Americanisms, while we furnish heavy in turn become the pattern of civilization. The gilded youth of England may then take to learning and affecting Americanisms, while we furnish heavy in turn become the pattern of civilization. The gilded youth of England the Hon's share of the man in the Cabinet. He is the high sease. And it is just possible that with this ambution fulfillized, the United States and the

SAN BERNARDINO, during its last fiscal year, realized a revenue of \$1500 from the collected licenses of its twenty-nir saloons. The privilege of manufacturaling criminals costs something, as well as the work of caring for them after the other, when one of the real and strock him in the eye and distriped the sight.

At St. Helena, the only son of Dr. Bartis and Presign companies, inching as the work of caring for them after the other, and the sight.

At St. Helena, the only son of Dr. Bartis and Presign companies, inching as the work of caring for them after the sight.

At St. Helena, the only son of Dr. British and Merelian, of San Prancisco the gradual strock him in the eye and and olobe, Union, of San Prancisco the gradual strock him in the eye and strock him

SAPE JOKE.

This sex-Confederate soldiers of San Francisco never dil a more chivalrous thing than in determining to participate in the Grant memorial demonstration.

Mrs. Judge Hatch, of Santa Barbara, the son admitted to practice law in the Saperior Court of Ventura county. The lady's reason for applying for admission there was that her hunband is Judge of the Superior Court of Santa Barbara county.
